## **CONCEPTUAL DESIGN PUBLIC MEETING**

April 4, 2007

Wa-Ka Hatchee Recreation Center

### **PROGRAM INPUT ITEMS**

Program Elements from Public Meeting

### **PARK ENTRY CONTROL AND SECURITY**

- Will there be a gate (conceptual gate) at entry?
- Will the gate be controlled by solar or electric?
- Will Snook fishing or any other kind of fishing be permitted at night?
- Will there be one or two gates? And where will they be located?
- Will there be trail head board walks?

### **BIKE AND PEDESTRIAN ACCESS**

- Will there be a bridge for the bike path going over John Morris Road?
- Is the path accessible from parking lot?

### **PARKING**

- Will there be a parking fee?
- How many parking spaces will be provided? Study? 100+?

### **BEACH HEAD AND FACILITIES**

- Will there be shelter and restrooms on the beach?

### **ACCESS & PARKING ISSUES**

- Will there be a round-a-bout drop off?
- Golf Cart?

### **DESIRED IMPROVEMENTS & FACILITIES**

- Is there any showers?
- Will there be seating on beach for sunset?
